

COMPANY PROFILE

We take this opportunity to appraise you about our company and its activities in the field of Process Control & Instrumentation.

Our Company is working on the principal of "TPSP" "Total Plant Solution Provider" in the field of Process Control & Measurement, with our experienced Team in variant area such as Instrumentation, Mechanical, Electrical and other service sectors.

ACTPL is associated with Global Leaders as under:

	Pressure / Flow / Temperature / Level – Transmitters, AC / DC – Drives, Water / Gas / Pneumatic Analysers, LT/ HT – Motors, Couplings & Bearings, Soft Starter, DOL – Star Delta, Switchgears, Electric Vehicle (EV) Chargers.	
	Testing & Measuring Instruments and Calibrators.	
	Complete Range in Level & Flow Transmitters / Switches / Gauges.	
	Troubleshooting & Analysis of LAN / WAN / Wireless Networks and Communication Cables.	
	PID Controllers Digital Indicators, Advanced Profile Temperature Controllers, Solid State Relays, Signal Isolators, Power Controllers (Thyristors), Paperless Recorders and PLC's / HMI's, SCADA's.	
	All type of sensor solution, Dust Monitoring System, Continuous Emission monitoring System, Bulk Mass Volume measurement	
	Tube Cleaning System for turbine condensers and flooded shell and tube type condenser, Water treatment system for cooling tower	
	Gate Valves, Globe Valves, Ball Valves, Check Valves, Butterfly Valves.	
	Guaranteed ZERO LEAKAGE Metal Seated Valves for all Critical Applications.	
		General and Severe Duty Control Valves, De-Super Heaters, Pressure Reducing De Superheaters (PRDS), Turbine Bypass, Multi Nozzle Spray De Super Heater and others.
		All range of Centrifugal, Self-Priming and Over Hung Pumps with wide range of Capacity and Heads. Specialized for Boiler Feed, Booster & Condensate Extraction Pumps.
		Plate Heat Exchangers.
		Refrigerant & Desiccant Air Dryers, Filters and Oil / Moisture Eliminators.
		Air Dryers, Filters, Oil & Moisture Eliminators.
		All range of Centrifugal, Self-Priming, Multi Stage, Sump, Gear, Lobe, Wing Pumps.
